THE KRAFT HEINZ COMPANY
COMPENSATION COMMITTEE CHARTER

Effective as of December 10, 2019

Purpose.

The Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of The Kraft Heinz Company (“Kraft Heinz” or the “Company”) will discharge the Board’s responsibilities relating to compensation for executive officers and non-employee directors.

Composition.

The Committee will be composed of at least two non-employee directors.

Each Committee member will meet the “independence” requirements of the Nasdaq Stock Market (“Nasdaq”) listing standards and applicable laws, rules and regulations for compensation committee membership. The Board will determine the independence of each Committee member.

Each Committee member will be a “non-employee director” for purposes of Rule 16b-3 under the Securities Exchange Act of 1934 (the “Exchange Act”).

Each Committee member will be an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or, alternatively, the Committee may designate a subcommittee or establish other procedures for purposes of satisfying the requirements of such section.

The Board will appoint the members of the Committee meeting these requirements and designate the Committee’s Chair, based on the recommendation of the Nominating and Corporate Governance Committee. If the Board does not designate a Committee Chair, the Committee members may designate the Chair by a majority vote of the Committee members. The Board may remove any Committee member.

Meetings and Operations.

The Committee will meet as often as it deems appropriate to carry out its duties and responsibilities.

The Committee Chair, in consultation with the other Committee members and the Company’s Head of People & Performance, will set meeting agendas.

The Committee may delegate any of its responsibilities to the Chair, another Committee member or a subcommittee of Committee members, unless prohibited by law, regulation or Nasdaq listing standard.
The Committee will meet periodically in executive session without management and as a committee.

The Committee will report its activities to the Board on a regular basis and make such recommendations with respect to its responsibilities and other matters, as the Committee deems necessary or appropriate.

The Corporate Secretary will maintain the minutes of the Committee meetings. The Committee will, at least annually, evaluate its performance and report to the Board on that evaluation. The Committee will also annually review this charter and recommend to the Board any amendments the Committee deems necessary or appropriate.

**Resources; Independent Consultant.**

In fulfilling its responsibilities, the Committee will have full access to all of Kraft Heinz’s books, records, facilities and personnel. The Committee will also have the authority to conduct investigations on its areas of authority and responsibility and, in its sole discretion, to retain or obtain the advice of compensation consultants, legal counsel and other compensation advisers (collectively “Committee Advisers”), as it determines necessary to carry out its duties and responsibilities, including the sole authority to appoint, engage, retain, set and approve reasonable fees and other retention terms of, oversee the work of, and terminate any such Committee Advisers. Prior to the engagement of, or receipt of initial advice from any Committee Adviser (other than in-house legal counsel), and on an annual basis thereafter, the Committee shall comply with any applicable rules and regulations regarding the independence of Committee Advisers, including prior consideration of the factors relating to the independence of the Committee Adviser to the extent required by the rules of Nasdaq. At least annually, the Committee will evaluate whether the work of any compensation consultant involved in determining or recommending executive or director compensation has raised any conflict of interest that is required to be disclosed in Kraft Heinz’s annual report and proxy statement.

Kraft Heinz will provide for appropriate funding, as reasonably determined by the Committee, for payment of: (i) compensation to any Committee Advisers the Committee engages; and (ii) the Committee’s ordinary administrative expenses that are necessary or appropriate to carry out its duties and responsibilities.
