THE KRAFT HEINZ COMPANY

AUDIT COMMITTEE CHARTER

Effective as of August 7, 2020

Purpose.

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of The Kraft Heinz Company (“Kraft Heinz” or the “Company”) will oversee Kraft Heinz’s accounting and financial reporting processes, and audits of its financial statements. In addition, the Committee will assist the Board in its oversight of:

1. The integrity of Kraft Heinz’s financial statements, accounting and financial reporting processes, and systems of internal control over financial reporting as well as the safeguarding of the Company assets;
2. Kraft Heinz’s compliance with applicable legal and regulatory requirements;
3. Kraft Heinz’s independent auditors’ retention, termination, qualifications, independence, and performance;
4. The performance of Kraft Heinz’s internal auditors and internal audit function;
5. Kraft Heinz’s financial matters and financial strategy; and
6. Kraft Heinz’s guidelines and policies with respect to risk assessment and risk management.

Composition.

The Committee will be composed of three or more non-employee directors.

Each Committee member will meet the “independence” requirements of the Nasdaq Stock Market (“Nasdaq”) listing standards and applicable laws, rules, and regulations for audit committee membership, subject to any available exceptions. The Board will determine the independence of each Committee member. If a member of the Company’s Audit Committee serves on more than three public company audit committees, the Board will determine whether such simultaneous service impairs the director’s ability to serve effectively on the Committee.

Each Committee member will be able to read and understand financial statements in accordance with Nasdaq listing standards.

At least one Committee member will be an “audit committee financial expert” as defined by the U.S. Securities and Exchange Commission rules and regulations.

At least one Committee member (who may also be an audit committee financial expert) will have financial sophistication in accordance with Nasdaq listing standards.
Committee members must not have participated in the preparation of the financial statements of
the Company or the financial statements of any subsidiary of the Company at any time during the
past three years.

Based on the recommendation of the Nominating and Corporate Governance Committee, the
Board will appoint the members of the Committee meeting these requirements and designate the
Committee’s Chair. If the Board does not designate a Committee Chair, the Committee
members may designate a Chair by a majority vote of the Committee members. The Board may
remove any Committee member.

**Meetings and Operations.**

The Committee will meet as often as it deems appropriate to carry out its duties and
responsibilities, but no fewer than four times annually. Meetings of the Committee may be
called by any member of the Committee.

The Committee Chair, in consultation with the other Committee members and the Company’s
Chief Financial Officer, will set meeting agendas.

The Committee may delegate any of its responsibilities to the Chair, another Committee member
or a subcommittee of Committee members, unless prohibited by applicable law, regulation or
Nasdaq listing standards.

The Committee will meet periodically in executive session without management and as a
committee, as well as separately with the internal auditor, General Counsel (or similar officer),
Chief Compliance Officer (or similar officer), the independent auditors, and certain members of
management to discuss any matters that the Committee or the persons with whom they meet
believe should be discussed.

The Committee will report its activities to the Board on a regular basis and make such
recommendations with respect to its responsibilities and other matters as the Committee deems
necessary or appropriate.

The Corporate Secretary will maintain minutes of the Committee meetings.

The Committee will, at least annually, evaluate its performance and report to the Board on that
evaluation. The Committee will also annually review this charter and recommend to the Board
any amendments the Committee deems necessary or appropriate.

**Resources; Independent Counsel.**

In fulfilling its responsibilities, the Committee will have full access to all of Kraft Heinz’s books,

also have the sole authority to conduct investigations on its areas of authority and responsibility
as well as to engage, retain, approve reasonable fees and other retention terms of, and terminate
independent counsel and other advisors, as it determines necessary to carry out its duties and
responsibilities.
